

I would like to tell you that i support 100% XM providing XM Instant Traffic & Weather and all its services. XM is very good and it gives me and all my friends who recomend this XM a great joy. Please be concious and don't stop this radio doing its excelent service. XM is the perfect satelite radio of this century and it is an revolution in questions of our needs. It is the best radio in the world. Since I both this radio my live changed 100% for better.

Thanks
